

HEALTH and SAFETY PROTOCOLS

The health and safety of our clients and staff remains our top priority.

- All visitors must wear a face mask that covers the mouth and nose.
- We support the CDC guidelines of social distancing and have reconfigured our conference rooms to reduced capacity.
- Safety protocols recommend frequent hand washing and use of hand sanitizer. Hand sanitizer will be available throughout our offices and in each of our conference rooms.
- Select offices will be fully open and available without staff as to limit interactions. Our court reporters will be able to assist all deposition needs on-site and ensure you are taken care of.
- All conference rooms and high-touch areas will be sterilized before and after each use.
- Our offices are deep cleaned by a professional janitorial service nightly.

IF YOU ARE FEELING SICK OR HAVE SYMPTOMS OF FEVER, SHORTNESS OF BREATH, OR COUGH, PLEASE STAY HOME.

Please contact Centext for any questions regarding individual office protocols in terms of building safety provisions, elevator occupancy, parking arrangements, or any other concerns.

We thank you in advance for your cooperation in adhering to these Health and Safety Protocols.

Please contact us if you have any questions or concerns.
